DAY 3: WEDNESDAY, JULY 13 | BIBLICAL JERUSALEM

Our day will begin at the Ein Gedi desert oasis. We'll take a short walk in this marvel of nature and will pause by one of the waterfalls to discuss Saul and David's meeting here.

Our next stop will be the UNESCO World Heritage Site Masada. After a quick lunch we'll ascend by cable car and will explore the ruins of this remarkable desert fortress built by King Herod 2000 years ago and discover the tragic end of its final defense. After all that walking, we'll relax at a private Dead Sea beach for some well-earned down time. Float on these saline waters and you'll come out rejuvenated – guaranteed!

As we head back to Jerusalem, our final stop will be at Genesis Land to transport ourselves back into the Biblical wilderness for a meeting with Abraham. We'll learn about life in the desert in ancient times and have the opportunity to ride a camel into the sunset.

Stop at the Mt. Scopus observation and take in the beautiful scenery of Jerusalem for the first time together as a group, get some beautiful pictures and say a short Shehechyanu prayer together.

DAY 4: THURSDAY, JULY 14 | REVOLUTION IN THE WILDERNESS

Explore the impressive excavations in the Davidson Center where we'll be able to transport ourselves 2000 years back in time and walk on the very stones that visitors would have walked on in the time of the Second Temple.

We'll pause at the Western Wall (also known as the Wailing Wall) to soak up the atmosphere and continue underground as we come as close as humanly possible to the Holy of Holies while exploring the Rabbinical Tunnels.

Head up to the Jewish Quarter and after a great local lunch visit the Burnt house and the Herodian Quarter in order to get the full picture of Jewish lives here during the time of the 2nd Temple.

Buses leave the hotel at 6 PM for Teddy Stadium and the Maccabiah 2022 Opening Ceremony; we cheer the Parade of Delegations, watch the Ceremony and enjoy the spectacular Show. Like the Olympics, it's a spectacular television broadcast. But, unlike the Olympics, it has a strong Jewish theme that makes it so powerful. An experience of a lifetime.
